Water capacity	30 U.S. Gal	114 L
Hot water tank	3 U.S. Gal	11.4 L
Holding tank capacity	11 U.S. Gal	42 L

The Cutwater 24 Coupe (C-24 C) Designed and manufactured in the USA. Speed, comfort, value, and FUN all combine for the boat ownership experience of a lifetime. Adventuring solo or with the family, this fast sport cruiser will serve you well. Whether you're new to boating, looking for the perfect fishing machine, enjoying water-sports, or excited to explore distant waterways, you'll be proud of your decision to cruise in a C-24 Coupe.

The C-24 C provides all the comforts of home with a private stateroom and head, three sinks with hot and cold water, stove top, microwave, and refrigerator/freezer. The forward stateroom features wrap around seating and a high/low table that drops to complete the forward berth for a comfortable night's sleep. The main salon has a dinette for four that transforms into an additional berth for kids or overnight guests.

Powered by a 250 HP outboard, the C-24 C is fast and efficient. Its advanced hull design incorporates an innovative combination of a 24° deep-V hull for a smooth ride, an 11° keel pad for planing stability, and reversed chines for quick planing, and reduced cornering roll. The double-stepped hull increases efficiency and performance, reduces fuel consumption, and contributes to her quick time to plane. The C-24 C hull also incorporates our patented Laminar Flow Interrupter technology for smooth, positive cornering.

The C-24 C comes comfortably equipped to cruise and play. Cutwater Boats include more standard features than any other manufacturer. Standard features on the C-24 C include a navigation package starring the Garmin 7610 GPS plotter and fish finder, color Yamaha engine display, VHF radio, Bluetooth stereo entertainment system, led lighting, marine head with holding tank, sport racks, built-in rod holders, fish box, integrated transom cooler, concealed ski tow, our patented built-in trailer lights, foldaway cockpit seating, cockpit bolster cushions, and a lot more!

If you wish to upgrade your C-24 C experience, we offer an expansive list of options, such as a solar panel, generator, air conditioning, diesel heat, electric grill, aluminum trailer, auxiliary motor package, vibrant hull color upgrades, and many more.

Cutwater 24 Coupe Standard Equipment

Performance

250 HP Yamaha outboard motor
