

CUTWATER 242 COUPE

Specifications

LOH (transom - bow)	23' 7"	7.2 m
LOA sterndrive (including bow pulpit)	25' 11"	7.9 m
LOA outboard (including motor & bow pulpit)	28' 10"	8.8 m
Beam	8' 6"	2.6 m
Draft (sterndrive, drive down)	37"	.94 m
Draft (sterndrive, drive up)	21"	.53 m
Draft (outboard, motor down)	30"	.76 m
Draft (outboard, motor up)	19"	.48 m
Weight, dry (sterndrive)	5,300 lbs	2,404 kg
Weight, dry (outboard)	4,900 lbs	2,223 kg
Bridge clearance	9' 11"	3.0 m
Fuel capacity	116 U.S. Gal	439 L
Water capacity	30 U.S. Gal	114 L
Hot water tank	3 U.S. Gal	11.4 L
Holding tank capacity	11 U.S. Gal	42 L

The all-new 2017 Cutwater 242 Coupe (C-242 C) is another exciting addition to the Cutwater lineup. Speed, comfort, value, and FUN all combine for a boat ownership experience of a lifetime. Whether you're new to boating, looking for the perfect fishing machine, or enjoying water-sports with the family, the Cutwater 242 Coupe will fit the bill.

The forward cabin features wrap around seating and a high/low table that drops to complete the forward berth. The C-242 C provides all the comforts of home with a private head, two sinks with hot and cold water, removable electric bbq grill, stove top, microwave, and TV/DVD combo. The C-242 C is also available with optional generator and air conditioning. If fishing is your game, you'll be excited to hear that the outboard-powered C-242 Coupe comes standard with a 2,000W PSW inverter, live well, fish box, and third sink integrated into the transom. Four rod holders are also standard on the Cutwater 242 C.

Powered by a Volvo 240 HP Duoprop sterndrive or optional Yamaha 300 HP outboard, the C-242 C is fast and efficient. The advanced hull design of the Cutwater 242 C incorporates a complex combination of a 24° deep-V hull for a smooth ride, an 11° keel pad for planing stability, and reversed chines for quick planing, and reduced cornering roll. The double-stepped hull increases efficiency and performance, reducing fuel consumption and contributes to her quick time to plane. The C-242 C hull also incorporates our patented Laminar Flow Interrupter technology for smooth, positive cornering.

Cutwater 242 Coupe Standard Equipment

Performance

240 HP Engine (std) Volvo gasoline V-6, fuel injected,
DuoProp sterndrive
Double-stepped hull for increased efficiency and performance
Fresh water cooling (sterndrive model)
Full color electronic engine control display
Laminar Flow Interrupters for smooth positive cornering (patented)
Single lever, electronic shift and throttle control
Trim tabs

Boater Features

Chain and rode storage well
Companion seat, doublewide, reversible
Docking lights (2), forward hull
Electrical panel, AC, mid-berth
Foredeck lounge seat
Fuel flow data display
Fusion stereo system, Bluetooth, AM/FM, aux input
Mid-berth with cushion, gear storage

Navigation package, Garmin 7610 GPS plotter, FF

Rear opening bulkhead with reversible dinette seat
Rod Holders (4)
Sports rack
Swim platform w/ four rung S.S. ladder
Transom fish box/cooler (OB model)
