Do it all with this no-compromise cruiser. The Cutwater 32 Coupe (C-32 C) introduces an entirely new way of thinking about an outboard cruiser. Performance and comfort are central to the design. The advanced double-stepped, deep-V hull design combines speed, efficiency and superior stability. Our Laminar Flow Interrupters allow for smooth, positive cornering. Roll the throttles forward and you'll feel the powerful twin, counter-rotating 300HP Yamaha outboards, propel the C-32 C to remarkable speeds. Docking is easier than ever with Helm Master joystick steering.

Upon stepping into the comfortable interior, you'll feel fully at home. Appointed with fine wood accents throughout, a fully furnished galley, large dinette, private head and shower, and a luxurious forward stateroom featuring an island bed and recessed LED lighting, the C-32 C delivers a resort-like experience. The large midship stateroom and convertible dinette comfortably sleep up to four additional guests. You'll find extensive entertaining space on deck. The cockpit hosts expanding seating, rear-facing lounge, an electric BBQ grill, sink and an additional refrigerator. Moving to the foredeck you find hide-away lounge seating to relax and take in the sunset.

Equipped with the latest in marine electronics, the helm is where you're fully in control. Dual Garmin chartplotters with sonar, xHD radar, VHF, Yamaha engine display, electronic throttles, and joystick thruster controls, all work in unison to get you where you want to go, quickly and safely.

Perhaps the most exciting new feature of the C-32 C is the first of its kind, swim platform boasting thirty-two square feet of level, unobstructed, non-skid decking with no outboard well, rigging tubes or hoses to trip over. Heavy-duty stainless-steel handrails provide stability for boarding, fishing, watersports and safe dinghy access. To sum it all up, the C-32 C is a robust, do it all outboard cruiser that gives you the freedom to get out there and fish, cruise, explore and more!

## MODEL FEATURES

### ADVANCED CUTWATER HULL

The C-32 C hull features an innovative combination of a steep, deep-V hull for a smooth ride, a keel pad for planing stability, and reversed chines for quick planing and reduced cornering roll. The double-stepped hull increases efficiency and performance and reduces fuel consumption while the laminar flow interrupters provide smooth, positive cornering performance.

### FULL GALLEY

The C-32 C is well equipped with a full galley for extended cruising. Meal prep is a fun and easy with a refrigerator/freezer, large stainless sink with hot/cold water, a wine/water cooler and a stainless propane stove and oven combination or electric cooktop with convection microwave oven.

### MULTI-USE SEATING

The aft bulkhead window opens, and the dinette seat transforms to create a rear facing seat into the cockpit. Fold-away cockpit seating provides a conversational layout while relaxing with friends or family in the cockpit.

### CLEAR-PATH SWIM PLATFORM

Our Clear-Path Swim Platform is a revolution in safety and usability aft of the transom, boasting thirty-two square feet of unobstructed, usable deck space with no outboard wells or rigging. A folding boarding ladder is built-in for easy access when swimming and heavy-duty grab rails enhance safety when boarding from dock or tender.

### DUAL GARMIN CHARTPLOTTERS & XHD RADAR

Navigation is fun and accurate with dual Garmin touchscreen chartplotters, equipped with GPS, sonar, and xHD radar. Easily monitor fuel flow, engine data, bottom conditions, GPS location, tides and much more.

### TRAILERABLE 10FT BEAM

The 10' beam of the C-32 C allows for a spacious, functional interior while maintaining the ability to trailer your boat to remote and inland destinations. Trailering also provides more options for storing your boat when not in use.
